

Dear Social,

Today is Giving Tuesday, the Global Day of Giving. This holiday season, you can unbox more than just a gift—you can **unbox hope, safety, comfort and dignity for those in critical need.**

Through SafeLink Alberta's unboxing campaign, you can see the difference your generosity makes. With every donation, you're unboxing real impact:

- A **comforting warm cup of coffee** for a program participant in our daytime drop-in space seeking refuge from the cold.
- A **toothbrush and toothpaste** from our street-based outreach team, helping a program participant finally feel clean and refreshed.
- A feeling of relief for a program participant, knowing they can get **non-judgmental STBBI testing** in our office without facing stigma from their family doctor.
- A sense of confidence for a young nurse, ready to challenge misconceptions about HIV among his classmates after receiving **comprehensive training**.

At SafeLink Alberta, our mission is to reduce the harms associated with sexual activity and substance use by offering low-barrier, non-judgmental, and informed programs and services.

Every box opened represents the life-changing support you provide for participants like Lee, who shared:

"Where do you turn when no one understands? When you feel judged or rejected? Many believe there is no where to go, no one to turn to. But they aren't alone. There is SafeLink Alberta."

Now is your chance to give back. **Unbox impact today and make this season brighter for someone in need.**

You can also make your donation in other ways:

E-transfer: Send to accounting@safelinkalberta.ca.

Cheque or cash: Due to the Canada Post strike, please reach out to us at cr@safelinkalberta.ca to arrange safe options for pickup or drop-off. You can also bring your gift directly to our Calgary location at 1944 10 Ave SW, Calgary, AB T3C 0J8.

Your gift cares for those relying on SafeLink Alberta.

By unboxing your donation, **you can help us realize our vision of inclusive, empowered, and healthier communities.**

With gratitude,

Katie Ayres
Executive Director
SafeLink Alberta
